PerSpection
==EDITED== Design: User Interface

==EDITED==

- ==Added Create Account page. Allowing multiple users and adds authentication, permissions, and additional reporting.==
- ==Added User Options page for permissioned access.==
- ==Updated Reports page into Stretch feature. If time allows additional business logic would be added here.==
- ==Updated Archives page with filtering and permissioned access.==

User Personas

Bob New Veterinarian

25-35 years
$60-70,000 per year
Is a new Veterinarian who wants to ensure he will pass his clinic's routine OSHA inspections. Bob needs a tool that will help him track what will be expected of him by compliance officers.

Sarah Restaurant Manager

30-55 years
$45-65,000 per year
Restaurant Manager who wants to ensure her kitchen passes unscheduled Restaurant Health Inspections. Sarah needs a tool that will help her run test health inspections as well as compare her findings with official inspection results.

Frank Repair Contractor

45-65 years
$65-95,000 per year
Frank is a building repair contractor who wants to ensure the quality of his repair work meets inspection guidelines of his clients. Frank needs a tool that will print out compliance reports he can send with repair invoices to his clients.
